Timothy Huguenir	ı WY	1/12/2017	traffic. I have to slow down almost to a stop until the car goes

		"It is very strange that the U.S. government, which did so much to legislate better vehicle safety over the years, nowadays seems to ignore one of the biggest driving hazards-those insanely bright LED and HID headlights!! For anyone driving at night, these lights are a nightmare to deal with. When these first came out, the designers thought they were helping things by brightening the driver's field of visionmostly a superfluous concern because the older headlights were more than adequate for most driving conditionsand drivers had
P. Lavrentiev	NY	1/10/2017 beams anyway for the darkest conditions, and could get fog "I was blinded by the LED headlights and ran off a two lane
alan barr	МО	1/4/2017 Highway. In Missouri the pickup trucks seem to be having a "I cant say enough against headlight use during the day. It is no wonder fatalities have increased when ignorant motorists make it painful to keep your eyes on the road. I refer to it as a
Chad Rowe	PA	12/31/2016 visual equivalent of nails on a chalk board. I have "I have excellent vision, but since about 2-years ago, I have had hot pain when cars with those horribly bright lights are near. Driving at night now takes longer, because I simply pull off the road to wait until vehicles with such painfully bright lights pass me. How can drivers with these lights not know the dangers these lights pose?! If you are behind another vehicles, you NEVER need to have high beam lights on. I have been
Jill Ann Ryan	PA	12/24/2016 dreaming of a light up sign that says. Get off my bumper with "Years ago I spoke with NHTSA regarding this very issue, including advising them that the already noted increase in fatalities was likely due to these unregulated lights. Now they care? When I talked to them they said "a lot of people will need to die" before they act at all on this issue. Fools and sociopaths. Read my articles below. NOTE that limiting light emitted to that of traffic signals is a very bad idea as our traffic
Suzanne Coleman, MD	IL	signals are also blindingly glaring and those are the ones 12/14/2016 placed by IDOT (IL DOT).Dr. Coleman <a "they="" and="" are="" as="" behind="" blind="" blinding<="" cause="" headaches!="" headlights="" is="" it="" just="" me="" me,="" not="" oncoming,="" only="" td="" these="" they="" when="">
